

ACTION TAKEN REPORT ON ATTAINMENT OF POS/ PSO'S
2014-2018 ADMITTED BATCH

PO	TARGET	ATTAINED	Remark	No. of Subjects		ACTION TAKEN
				Contributing	Reached the Target	
P01	60	64.5	Target reached	57	32	1: Instructions given to the faculty of concerned courses in which the target not reached, to take necessary actions to reach the target. 2: Is also suggested to faculty to adopt the better teaching learning methods while delivering the lecture.
P02	60	61.6	Target reached	59	34	1: It is instructed to the concerned course and module coordinators to identify and resolve the issues that are concerned to non-attainment of program outcome. 2: It is instructed the faculty members to solve more number of problems, so that the students will be able to contribute to this PO in a better way.
P03	60	63	Target reached	55	32	1: Since it is a higher level cognitive domain, members are instructed to put more efforts towards the improved contribution of this particular PO. 2: Faculty members are instructed to solve higher cognitive level problems especially design orientation in the class rooms.
P04	60	64	Target reached	42	26	1: It is instructed to the concerned course and module coordinators that the target not reached courses have to think for improvement of conduct and investigations of problems especially in Geotechnical engineering. 2: Special care has to be taken to improve the analysis and investigation of problems.
P05	60	59.7	Target not reached	38	20	1: It is instructed to the concerned course and module coordinators that the target not reached courses have to think for improvement of conduct and investigations of problems especially in Transportation engineering and Geotechnical engineering. 2: Some video lectures are to be given based on the criticality of the course.

LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

(AUTONOMOUS)

Accredited by NAAC with 'A' Grade, ISO 9001:2015 Certified Institution
 Approved by AICTE - New Delhi and Affiliated to JNTUK, Kakinada
 L.B.Reddy Nagar, Mylavaram - 521230, Krishna District, Andhra Pradesh, India
 Department of Aerospace Engineering

PO6	60	66.5	Target reached	11	09	Instructed to motivate the students to have concern with the society along with the professional engineering practices.
PO7	60	61.6	Target reached	15	07	It is instructed to the concerned course and module coordinators that the target not reached courses have to think for improvement of PO attainment.
PO8	60	70.5	Target reached	06	06	While solving the engineering practice oriented problems graduates have to follow the code of ethics.
PO9	60	60.9	Target reached	25	16	Increasing emphasis on seminars/ group discussions and to carry out the lab experiments individually or in some cases as team members.
PO10	60	60	Target reached	39	23	Mentors and the faculty members are instructed to communicate effectively and also let the students know the importance of communication in engineering.
PO11	60	60.4	Target reached	29	17	Instructed to increase the activities which can be done in groups so that the students will learn how to deal with the groups.
PO12	60	60.4	Target reached	48	29	Modify the course contents of not attained subjects so that they meet the target level of the PO with the approval of BOS if possible.
PSO1	60	62.2	Target reached	44	31	1: It is suggested the course coordinators and program coordinators to strengthen the course outcome.
PSO2	60	62	Target reached	44	30	2: It is also instructed to modify the course contents so that with approval of BOS so that they contribute to the PSO in a positive way 3: Instructions given to the faculty of concerned courses in which the target not reached, to take necessary actions to reach the target 4: It also suggested to review the target of PO
