### MINUTES OF THE BOS MEET ORGANIZED ON 18.12.2021

The Board of Studies meeting is organized in the Civil Engineering Department on 18.12.2021 through online. The following issues are discussed and approved.

1. Minor Courses syllabus for R20 Regulations.  
*Few suggestions are made in the addition of a new course on Basics of Structural Analysis and merging of two suitable courses into one so that total courses remain 8 only.*
2. Syllabus for Skill Oriented Course on Matlab for R20 Regulations.  
*Approved.*
3. Result analysis, Placements and Events organized.  
*Approved.*
4. SWOC Analysis of the Department.  
*Approved.*
5. Any other issues.  
*It is suggested to include Software coding applications such as Python and Matlab to be introduced in academic projects/assignments for the students so that they gain an insight into these software applications in a better way.*
