REPORT

Civil Engineering Department conducted Four day Certification programme on “CIVIL LABS” for Non-Teaching Staff from 12.06.2017 to 15.06.2017. Co-ordinator suggested the training members that it is an opportunity to add additional skill set, so that persons can capture the jobs easily. Dr.V.Ramakrishna, HOD of Civil Department addressed the trainees to be interactive in these sessions and take positive output from the program as civil engineering as become an integral part in their career. The Resource persons are all teaching staff trained the Non-Teaching staff on different labs with both theory and practical knowledge.

They have covered following topics with hands-on practice:

Introduction to civil labs

Total station

Extraction of soil from geopipes

Knowing the operation of CT lab equipments etc.
