

LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

(AUTONOMOUS)

Accredited by NAAC & NBA (CSE, IT, ECE, EEE & ME)

Approved by AICTE, New Delhi and Affiliated to JNTUK, Kakinada

L.B.Reddy Nagar, Mylavaram-521230, Krishna Dist, Andhra Pradesh, India

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON STUDENT TECHNICAL ACTIVITY

Event Type	Grab the CAD
Date / Duration	21.12.2019
Name of Coordinator	Sri K. Harish Kumar, Assistant Professor
Target Audience	B Tech Civil 2 nd & 3 rd year students
Total no of Participants	50 (internal) & 06 (external)
Objective of the event	The students should know the basic commands and tools necessary for professional 2D drawing, design and drafting using AutoCAD.
Outcome of event	The students are expected to enhance their AutoCAD skills in various Engineering applications.
Feedback / Suggestions	Received positive feedback from participants regarding event conducted and about organizing the event

REPORT

Varadhi Club PROGRAMME on 'AUTOCAD' was conducted on 21st December 2019, by the Civil Engineering Department in association with CANTER CAD, Vijayawada, in MCA 5G14, V BLOCK, LBRCE.

Employment for AutoCAD IS PROJECTED to grow by 7% from 2016 through 2026, in line with. However, CADD drafter entering the field with the right AutoCAD training and career specializations will still have a great deal of job opportunities in the industries. AutoCAD is a basic 2D and 3D drafting and designing software which very much effective in 2D drawings. Now a day it is used to make Google maps also. It is also extensively used in construction Industry. It is very much used by civil engineers for making Building Map, Road Map, etc. It scope is increasing day by day and is used worldwide and it is the basic software which is required by almost every design related industry.
