SUMMARY REPORT OF WORKSHOP ON ANDROID TECHNOLOGIES

Type of Event: Workshop

Title: “Workshop on Android Technologies”

Dates: 20-07-2015 to 25-07-2015

Resource Persons:

Mr. Puja Bhatia, WebTek Labs Pvt. Ltd.

About the event: Now a days every body has been addicted to mobile devices and all the day to day activities can be performed easily and comfortably with palm top. So, there is a lot of scope for development of various mobile apps using Android technologies, which are very much required. With a view to gain knowledge to teach the students and let them develop different kinds of apps for various purposes. With this one week work shop all the participants got exposure and hands-on knowledge about Android technologies. For this entire event the team of Mr. Puja Bhatia, WebTek Lab Pvt. Ltd. Contributed a lot to share their real time knowledge with participants. Hence this one week work shop is conducted on behalf of ISTE Chapter of LBRCE.

Total Participation: We have total number of 10 faculty from our institution and all of the got benefitted with this one week work shop.

Feedback:

1. This FDP is really good and very much useful to develop and teach android technologies.
2. It's my privilege to be a part of this FDP.
3. We need this type of real time interaction with development company like WebTek Labs, so that we can gain more.

Summary: Eminent resource persons from real time application development company from Hyderabad. We received good feedback and response for conducting this workshop.

Organizers: Dr. N. Ravi Shankar, HOD Dept. of CSE

Coordinators: Dr. Ch. V. Narayana, Dept. of CSE.
