Report on Certification Program on "MOS Certification Program"

Event Type   : Certification Program

Date(s)   : 29-02-2016 to 02-03-2016

Name of the Coordinator : Mr. G Balu Narasimha Rao

Target Audience   : III & IV B.Tech CSE Students

Resource Person   : Mr. Naga Kumar, Devman IT

Objective:

The objective of the Training is to bring awareness to students about Database Fundamentals and Database issues in practical manner. The Training includes discussion about various Topics like Create of tables, how to connect to the database etc. The students were given guidance to create the sample database for various applications.

Total Participation: 106

Feedback:

- Students requested department to organize such Certification Programs in future also to improvetheir awareness about latest technologies.

- Students said they got more awareness about Database issues and SQL Syntaxes because throughout the training the speaker showed various features and explained how those can be utilized by students for various applications.

Director Dr.E.V.Prasad Addressing the students

Resource Person Addressing the students

INTRODUCTION

Certifications are very important now a days to crack the interviews. In this context we are organizing these certifications course for making students to be industry ready.

Course Contents:

- **Giving Training on Database Fundamentals**
- **Testing the student's ability on solving Database issues**

RESOURS PERSONS

From Industry

ELIGIBILITY

The programme is open to all the CSE/IT/MCA dept. faculty members, UG and PG students and Research scholars in the area of all AICTE approved Engineering colleges.

ABOUT THE DEPARTMENT

The Department of CSE is established in the year 1998 and offers an undergraduate program in Computer Science & Engineering. The Department has well qualified faculty and good laboratory facilities. All the laboratories are well equipped with state of the art experimental sets, both in quality and quantity, which brings the number of students per batch of two. The department regularly conducts Guest Lectures / Seminars / Workshops / Technical paper contests for the benefit of both faculty and student community.
