Title: “Technical Skills”

Expenditure: INR 3380/-

Dates: 20-02-2018 to 18-03-2018

The face-to-face interaction dates are 24 Feb, 10 and 17 March, 2018.

Resource Persons:

1. Professor Deepak B. Phatak from IITB
2. Mr. Amol Hatwar from JP Morgan
3. Mr Zubin Kavarana JP Morgan

About Workshop: The focus of this initiative is to prepare engineering students (and others, wherever applicable) to transition from the informal campus environment to a formal corporate environment. This initiative consists of four different courses. These courses are conducted in a blended MOOC format. 1. Soft Skills 2. Workplace Communication 3. Financial Literacy 4. Technical Skills the content of the modules are available on the MOOCs platform (<http://iitbombayx.in>). The programme is restricted to students belonging to participating remote centers. However, the content will be released on the site for access to other students.

Total Participation:

A total of 122(From CSE, IT, ECE and MCA) students were participated and got certified from this Four week Blended MOOC course.

Feedback:

1. I have thoroughly enjoyed this workshop because experts from industry explained the concept in such good manner.
2. Thanks to IITB for taking up such a good initiative to introduce latest technologies especially for pre-final and final year graduate students.
3. I like A-VIEW sessions very much because it provides an opportunity to interact with teaching staff and clarify all my doubts.
4. I feel privileged to be a part of this workshop.
5. I am unable to cope up with the teaching staff because of their fast content delivery. I am very happy if the content is delivered in a slow manner

Action Taken:

We have planned to conduct all four categories of workshops under “college to corporate” initiative in every academic year

Head of the Department
