

LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

(AUTONOMOUS)

Accredited by NAAC with 'A' Grade, ISO 9001:2015 Certified Institution

Approved by AICTE, New Delhi and Affiliated to JNTUK, Kakinada

L.B.Reddy Nagar, Mylavaram-521230, Krishna Dist, Andhra Pradesh, India

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Report On “Induction Programme for I B.Tech CSE Students”

Event Type	:	Induction Programme
Date / Duration	:	07-07-2018 & 2 Hours
Resource Person	:	Mr. K. Pradeep, Tech Lead, Wells Fargo India, Hyderabad
Name of Coordinators	:	Mr. P. Vamsi Naidu
Target Audience	:	B.Tech. I Semester Students
Total no of Participants	:	90

Objective of the event : The Main Objective of this Induction Programme is to allow the students to know the importance of engineering education and the kind of opportunities that this course offers once they finish off.

Outcome of event :

On completion of this Induction Programme Student can able to:

1. Know the importance of Engineering Education.
2. Analyse the kind of opportunities that he/she will get.
3. Motivate himself and others about Engineering and its allied.

Description / Report on Event: Students entering Engineering Education are coming into a new and unfamiliar environment, and many do not yet know what it means to be a University student. With increasingly large class sizes, it may not be possible for a lecturer to tailor material to a diverse audience, where each individual has their own prior experiences of learning and their own assumptions about what it means to be a student in Engineering Education.

An induction process which clarifies for all students the relative responsibilities of teacher and student, which creates an atmosphere of open experimentation where all students can be open about what they see as barriers to their learning, and which begins the work of helping students to develop effective learning strategies, is likely to go far towards helping all students.

Feedback / Suggestions :

1. I got to know about what engineering education is all about.
2. I got clarified with all my questions from this induction program.
