Title: "CSE department ASSOCIATION DAY" – [ACG-2k19]

Dates: 19-02-2019.

Objective:

The objective of '**Association of Computer Geeks**' is to provide a platform to all the budding software professionals to showcase their talents.

The motto of Association of Computer Geeks is "students should bring up themselves to all round professionals with the both technical and managerial capabilities".

In order to achieve this goal many events were organized in the Department of Computer Science and Engineering under the banner of Association of Computer Geeks.

This provides a good opportunity for the organizers to showcase their management skills while the participants enjoy the privilege of demonstrating their talents.

Events organized by ACG:

Technical Events:

1. Coding Contest
2. Paper Presentation
3. Poster Presentation
4. Project Expo.
5. Technical Quiz

Special Events:

1. Mock Interview
2. Group Discussion

<u>Many More</u>: Under the banner of ACG, also the following events organized throughout the academic year.

1. Role-play
2. Word Games
3. Story Creation
4. Fortunately - Unfortunately
5. Just A Minute
6. Extempore
7. Spell Bee
8. Aptitude Test and
9. Many Cultural Programs

Total Participation: 120

Winners in various events - 22

Student Coordinators - 40

Feedback:

- Students suggested to conduct Coding Contests multiple times in one academic year. They suggested ACG members to organise 3-level programming contest (Class Level, Batch level and Branch level).

- Students suggested to conduct more different events and reduce the number of group discussion events.

- Students asked for debate competitions on social issues, so that the general problems connected to society maybe identified and we may try to give some sort of Technological solutions to those problems.

Actions Taken by ACG executive committee:

1. As the motto of Association of Computer Geeks is to bring up students to all round professionals with the both technical and managerial capabilities, students have free hand to plan, participate and execute the events on their own.

2. The department assigned faculty to act as judges for various events when ever students need faculty help.

3. We had meetings in the first week of odd and even semesters in the A.Y. 2018-19.

4. Student discipline coordinators were assigned to ensure discipline while conducting various events.

5. Events were confirmed by the committee after having a good discussion with the students in the meeting.

6. ACG was already planned 3-level programming contest for 2018-19 A.Y. But failed in executing the same at expected level. This time we have a plan to work with Coding Club to realise the above idea as effective as possible.
