Report on One Day Webinar on Cloud for Students

Event Type   : Webinar

Date(s)   : 13-06-2020.

Name of the Coordinator   : K Naga Prasanthi

Target Audience   : III and IV CSE Students

Resource Person   : Phani Kishore Lanka, Trainer for Devops and Cloud

Objective:

The objective of the webinar is to bring awareness to students about cloud computing environments in real time. The webinar includes discussion about various cloud platforms like Microsoft azure, google cloud etc. The students were given guidance to create their own account in cloud platforms using various options.

Total Participation: 100

Feedback:

- Students requested department to organize such webinars in future also to improve their awareness about latest technologies.

- Students said they got more awareness about various cloud platforms because throughout the webinar the speaker showed various real cloud computing platforms and explained how those platforms can be utilized by students for various activities.
