Description / Report on Event:

The Green Energy Club of EEE Department in association with **AEEL & LBRCE IEEE Student Branch** is organized an Elocution Competition on “Recent Trends in Science and Technology” on the occasion of “**National Science Day**” on 28-02-2023.

Science brings about solutions for everyday problems and provides answers to the greatest mysteries of the universe. Science is thus one of the most important channels of knowledge. It has a specific role, yet has various functions, for our society’s benefit, i.e. improving knowledge and education, and enhancing the quality of life. A country can evolve thanks to scientists who find new approaches to problems and prove new scientific laws. In this regard, National Science Day is observed on 28th February each year in India, to honour the revered physicist Dr Chandrasekhara Venkata Raman’s contributions.
