

Dept. of EEE. conducted B.Tech and M.Tech main project reviews by external experts on 13-02-2016

The B-Tech and M-Tech main project reviews by Visiting Professors in the EEE Department are organized by the department of EEE on 13-02-2016. The department has been insisting the students to select their projects related to industrial requirements and advanced topics in the field of Electrical and Electronics Engineering. The experts Dr. G.Kesava Rao (Former Professor, BHUIT), Dr. G.S.Raju (Former Director, BHUIT) and Dr.P.V.Ramana Rao (Former Dean, NIT Warangal), explained the main concept behind the selected topic and gave suggestions for implementing the projects. The developed projects should be useful for industrial and societal needs, opined the experts. The department HOD, Dr.M.Uma Vani and all the members are involved in this activity.
