

LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING (AUTONOMOUS)

Accredited by NAAC with B++ Grade, ISO 9001:2015 Certified Institution

Approved by AICTE, New Delhi and Affiliated to JNTUK, Kakinada

L.B.Reddy Nagar, Mylavaram-521230, Krishna Dist, Andhra Pradesh, India

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report On Event National Science Day Celebrations – 2019 Co - organized by IEEE Student Branch and Association of Electrical Engineers LBRCE

Event Type	: Students' Extension Activity in Calendar year
Dates / Duration	: 20 th , 21 st & 28 th Februray, 2019/(Two Days + One day Celebration)
Name of Faculty Coordinators	: 1. P. Rathnakar Kumar, Asst Prof, EEE 2. R. Padma, Asst Prof, EEE
Name of Student Coordinators	: 1. K. Sri Kashyap, IV B.Tech EEE 2. P. Mukunda Veera Varma, IV B.Tech EEE 3. A. Bhavana III B.Tech EEE 4. M. V. N. Sai Priyanka III B.Tech EEE
Target Audience	: B.Tech/MBA/MCA Students of LBRCE and Students of Identified High Schools in Mylavaram
Total no of Participants	: 1. High School Students : 330 2. LBRCE Students : 071 Total : 401

Objective of the event:

To promote the Scientific temper as well as to create the enthusiasm among the rural high school students, engineering graduates, IEEE SB LBRCE & AEEL student members want to conduct an Awareness program about the "Importance of Science and Technology in Day-to-Day Life and Govt. schemes & Initiatives for students in STEM", in their respective schools and also to conduct an Essay writing competition for high school students and Elocution and Power Point Presentation competitions for LBRCE students on current year theme i.e. "Science for the People and People for the Science"

Outcome of event:

- Through these Awareness Program and the competitions both the students were expected to utilize the Govt. Schemes to develop their career in the field of STEM
- Students should be able to acquire knowledge about Latest theories evolved in the field of STEM through Communication & Presentation skills and content development.

Description / Report on Event:

The students of Department of EEE, IEEE Student Branch members and Association of Electrical Engineers conducted an Awareness program on "Importance of Science and Technology in Day-to-Day Life and Govt. schemes and Initiatives for students in STEM", in their respective schools and also to conduct an Essay writing competition for high school students and Elocution and Power Point Presentation competitions for LBRCE students on current year theme i.e. "Science for the People and People for the Science" during 20th & 21st and also distributed the prizes and Certificates of Merit and Appreciations to the Winners, Runners and also Consolation prizes were distributed to top performer of each school to encourage the students on the eve of National Science Day i.e. on 28th February 2019. The student coordinators of this event took the required prior permissions from principal Dr. K. Apparao sir and School Correspondents and Head Master/Mistress of respective schools.

The Schools identified in Mylavaram are:

- Dr. Lakireddy Hanimireddy Zilla Parishad High School
- MBM Zilla Parishad Girls High School
- Vievekananda English Medium High School
- Oxford NRI English Medium High School
- Gowtham English Medium High school
- Sri Chaitanya Techno School

But due to some busy schedule of Sri Chaitanya Techno School the event cancelled for that school.

On the First Day i.e. on 20th February 2019:

The Awareness Program and Essay writing competition was conducted for Two schools in the forenoon and three schools in the afternoon as per the schedule jointly planned by the school authorities and student coordinators.

On the Second Day i.e. on 21st February 2019:

Elocution competition was conducted in the forenoon session PPT contest was conducted in the afternoon session for all the participants from various departments of LBRCE.

On the eve of 28th February 2019:

To commemorate the discovery of Sir CV Raman the department of EEE in association with IEEE Student Branch and AEEL LBRCE celebrated National Science Day. On this occasion Mr. K. Sri Kashyap of IV B. Tech EEE given a presentation about Current year theme and a brief report on program within that presentation.

Program Convenor Dr. M. Uma Vani addressed the gathering giving more and more information about Science and Technology morally by appreciating the Student and Faculty Coordinators for the initiative and respective guidance to the student volunteers.

The program concluded by Presenting the Prizes to Winners, Runners and Consolation winners by the Dr.M.Uma Vani HOD (EEE) and our senior professors Dr. J. Siva Vara Prasad, Dr. M.S. Giridhar and Dr. AVGA Marthanda followed by Vote of thanks for all the people who supported the event and cooperated by Mr. Z. Kranthi Kumar IV B.Tech (EEE).

Feedback / Suggestions from the participants:

1. LBRCE Students want to Coordinate these types of events in the future in a very large scale.
2. More number of such programs is to be conducted for improving Awareness to High school science students.

Photographs:

1. Conducting Awareness for School Students

2. Conducting Essay Writing Competition for School students

3. Competitions at LBRCE EEE AC Seminar Hall

4. Presentation about current year theme, STEM importance and report on the event by Mr. K. Sri Kashyap IV B.Tech EEE

5. Addressing the gathering by Dr. M. Uma Vani Program Convenor HOD EEE

5. Prize distribution by Dr. M. Umavani HOD EEE and other Senior faculty

6. Collecting Feedback from the students

7. Vote of Thanks by Mr. Z. Kranthi Kumar IV EEE

The End Thank you
