DEPARTMENT OF INFORMATION TECHNOLOGY

30-07-2023

Stake Holder Feedback analysis Summary for the AY: 2022-23

Employers:
- Industry visits during 2nd year and Internships in 3rd year can be made compulsory.
- Emphasis to be given on the designing mobile apps using MEAN Stack.
- Suggested to improve industry centric initiatives in the department.

Students:
- Workshops on latest technologies may be introduced by industry people.
- More workshops on career guidance must be done.
- Suggested to add subjects like Deep Learning, Computer Vision, Image Processing.

Faculty:
- Technical Training must be started from 2year onwards.
- Suggested to introduce subjects like Data Visualization, Web scraping, Natural Language Processing, Neural Networks, Time series Forecasting, Markov chains, Natural Language Understanding… etc.
- Student must publish project work in reputed peer Journals.

Alumni:
- More focus should be given to practicality of the subject rather than theory centric.
- Syllabus should be framed with GATE Orientation as we can opt for more than one subject.
- Advanced Courses are to be included as Per Industry requirements like Devops ,MLops, ML Deployment. Generative AI.
- Emphasis must be given to make students do Global Certifications.

Parents:
- More technical trainings for better placements.
- Training classes for higher studies should be started in 2nd year.
- Counselling activities must be done frequently .
- Suggested to give more emphasis towards GATE and higher education.

Action Taken Report
- Motivating the students for higher education and Conducting GATE classes is being done in the department.
- Students are publishing their project work in conferences and steps are being carried out to perform it in peer Journals.
- Students were encouraged to do certification courses like AWS, CISCO, Microsoft.
- Recommendations regarding addition of subjects have been considered for the next curriculum revision R23.
- placement training sessions are increased.
- students are encouraged to use lab sessions effectively.
