Department Master of Computer Applications

Stakeholder feedback Analysis summary and Action taken Report for A.Y.2015-16

Students

- The academic regulation of clearing all the subjects of I year to get promotion into final year should be relaxed.
- Semester wise supplementary exams are required for MCA.

Teachers

- Data structures course can be combined with C Programming.
- Lab should be provided for Big Data course.

Employers

- Technical seminar should be made mandatory to improve both technical and communication skills.
- Certification courses are required for students.

Alumni

- Internet of things course will be useful for MCA students.
- Lab applications should be given more preference than theory.

Parents

- MCA course tuition fee is very high when compared with other colleges.
- Semester wise supplementary examinations are useful for passing the course.

Action Taken Report

- The management decided to fix the MCA course fee as 50000/- for all students by giving the concession of Rs14500/-
- The suggestions for the courses like Internet of Things, Hadoop lab will be discussed in next BOS meeting.
- Certification courses like CISCO CCNA, Microsoft MTA are provided for students.
- The regulation of clearing all first year subjects to get promoted into final year will be reviewed at the time of next regulation revision.
- Semester wise supplementary examinations are not approved for PG courses in Academic council meeting.
