MOCK INTERVIEWS SCHEDULE

The following is the schedule of Mock Interviews to be conducted for the registered students of IV B. Tech and III MCA. All the concerned HODs are hereby advised to delegate experts from their respective departments for the smooth conduct of this program. The experts to be delegated for this purpose should be desirably professors or at least Associate Professors with a good flair for conducting interviews. The experts are instructed to stick to the schedules so as to complete this event without any delay.

All the placement coordinators, panelists should reach the venue before the scheduled time and their attendance sheet should reach the under signed 15 minutes after the session has started.

The placement coordinators of respective departments have to take care of all the proceedings including taking attendance of students and panelists for smooth conduct of the event.

Any changes or replacements should be done in consultation with the Coordinator (Mock interviews) Dr. Sujit Kumar Rath (8125294839)

In this connection, HODs are advised to adjust the IV B.Tech CGT classes within their respective departments from 29th July to 6th August'19.

MOCK INTERVIEWS SCHEDULE

The following is the schedule of Mock Interviews to be conducted for the registered students of IV B. Tech and III MCA. All the concerned HODs are hereby advised to delegate experts from their respective departments for the smooth conduct of this program. The experts to be delegated for this purpose should be desirably professors or at least Associate Professors with a good flair for conducting interviews. The experts are instructed to stick to the schedules so as to complete this event without any delay.

In this connection, HODs are advised to adjust the IV B.Tech CGT classes within their respective departments from 30th July to 6th August'18.

Language and Communication Skills

LANGUAGE AND COMMUNICATION SKILLS

English Laboratory aims at training the students of both UG and PG during odd and even semesters with communication and presentation skills which are considered to be inevitable for seeking employment. It has two parts, namely

Computer Assisted Language Learning (CALL) Lab

Interactive Communication Skills (ICS) Lab.

Computer Assisted Language Learning (CALL) Lab accommodates 60 students at a time with 62 systems connected with LAN, backed up by 6KV online UPS. It is provided with free Wi-Fi and net with 270Mbps. This laboratory facilitates training to students with user friendly multi software, namely Globarena's Career lab which has four modules - Listening, reading, grammar and vocabulary for the beginners; Young India's Clarity Software which also provides four modules namely - Study skills, Reading skills, Professional Writing and Speaking skills for advanced learners.

Interactive Communication Skills (ICS) Lab. is a spacious room with movable chairs and audio-visual aids with a P.A System, a T. V., a digital stereo – audio & video system, LCD projector and camcorder etc. This lab provides opportunity equally to 60 - 75 students to interact and make presentations at once, thereby helping them improve their language proficiency, communicative competence and presentation skills. This laboratory buzzes with student activities under the effective supervision and guidance of the trainer as it is purely activity/task based.

Objectives:

The students will learn to

- Pronounce better through emphasis on word accent.
- Negotiate well with inter personal skills and intra personal skills for better placement.
- Gather information and organize ideas relevantly and coherently.
- Speak spontaneously on any topic given.
- Transfer information from non-verbal to verbal texts and vice versa.
- Write project/research reports/technical reports/ formal letters.
- Make power point presentations and oral presentations.
- Face interviews and skillfully manage through group discussions.

Outcomes

The students will have the ability to

- Articulate English with good pronunciation.
- Manage skillfully through group discussions.
- Communicate with people effectively.
- Collect and interpret data aptly.
- Write project/research reports/technical reports/ formal letters systematically.
- Make impressive presentations using power point.
- Face interviews confidently and skillfully.

DISTRIBUTION OF PAPER BAGS IN THE CAMPUS

Event Type : The Prakruthi, The environmental club of LBRCE took an initiative and all the student members made paper bags with their hands with old newspapers obtained from central library of Lakireddy Bali Reddy College of Engineering.

Date / Duration : 18-07-2018, 2.00pm to 4.00pm

Resource Person :

Name of Mentors : Dr. Shaheda Niloufer & V. Bhagya Lakshmi

Target Audience : II year B.Tech students

Total no of Participants: 800

Objective of the event : Reduce the plastic pollution

Outcome of event : Reduce the plastic waste

Description / Report on Event:

Plastic pollution is an evil that needs to be addressed urgently. Not only is it killing environment, but the toxins could also enter our body through food and water in the form of micro plastic.

We here at Prakruthi in a bid to address this issue decided to phase out plastic bags pollution from the campus in a systematic manner. In the discussions made by the student members it was decided that the cleaning should be started from the college canteen first and replacing plastic bags with paper bags was advised to be the best possible solution at our disposal. So, an initiative was taken and all the student members made paper bags with their hands with old newspapers obtained from central library of Lakireddy Bali Reddy College of Engineering.
