

### 6.3.3 Average number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff during the year

Academic Year:

2017-18

Title of Program Organized

FINITE ELEMENT ANALYSIS using ANSYS

Brochure for the Program:

The brochure is a three-column document. The left column contains contact information, eligibility criteria, and registration details. The middle column provides the last date for registration, contact addresses for coordinators, and a list of course contents. The right column features the program title, dates, a list of chief patrons, patrons, conveners, and coordinators, and the organizing department.

**HOW TO REACH US**

Mylavaram is situated at a distance of 40 km. from Vijayawada. Participants can reach Mylavaram by boarding buses at Vijayawada (PN Bus stand) run by APSRTC towards Tiruvur, Kothagudem & Bhadrachalam and city bus service (Bus number 350).

**ELIGIBILITY**

The program is open to all Faculty Members, Research Scholars and M.Tech/M.E students of AICTE approved Engineering colleges and Industry personnel working in the concerned/allied areas of Engineering.

**REGISTRATION**

Application in the prescribed format duly sponsored by the Head of the Institution should reach the coordinators on or before 05.11.2017. The soft copy of application (scanned copy) can be sent to the mail ([indrasenareddy@lbrce.ac.in](mailto:indrasenareddy@lbrce.ac.in) or [nagesh803@lbrce.ac.in](mailto:nagesh803@lbrce.ac.in)).  
**Note:** Brochure & registration form can also be downloaded from our college website. <http://www.lbrce.ac.in>

**Registration Fee for:**  
Faculty/Research Scholars/Industry per.: Rs. 1000/-  
P.G.Students:Rs. 500/-

**Note:** Registration fee in cash can be paid on the day of Registration.

Last Date for Submission of Registration form: 05/11/2017  
Intimation of selection through mail: 06/11/2017

### 6.3.3 Average number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff during the year

Academic Year:

2017-2018

Title of Program Organized

A one Week FDP on New Algorithms for Signal Processing Hands on

Brochure for the Program:

**Selection Criteria**  
Selection will be done based on *first-cum-first-serve* basis and the confirmed candidates will be notified immediately. The maximum number of participants will be 50 (fifty). Additionally 10 participants from industry are allowed to participate. The list of selected participants will be notified in the institute web site [www.lbrce.ac.in](http://www.lbrce.ac.in) and also will be sent to their personal e-mail ids. In case a candidate is not selected, the demand draft will be sent back. A test will be conducted at the end of the course. Candidates will be issued certificates on successful completion of the course along with grade. Reservations are allowed for selecting candidates as per GOI norms.

**Important Dates**  
Last date for submission of application:  
**12<sup>th</sup> April, 2018**  
Selection-list intimation/display before:  
**18<sup>th</sup> April, 2018**  
Duration of Program: **20<sup>th</sup>- 27<sup>th</sup> April, 2018**

**NOTE**  
The participants need to send a crossed demand draft (DD) drawn in favour of "Director, NIT Warangal" payable at SBI, NIT Warangal branch.

### 6.3.3 Average number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff during the year

#### About the College

The Lakireddy Bali Reddy College of Engineering (LBRCE) was established in the year 1998 by Lakireddy Bali Reddy Charitable Trust, whose architect is Er. Lakireddy Bali Reddy garu. The institute is established with the sole aim of providing high quality educational opportunities in the field of science, engineering, technology and management. It is spread over 60 acres of sprawling lush green landscape spotted with orchids and grooves. It is approved by AICTE, affiliated to JNTUK, Kaldinada and attained autonomous status in the year 2010. It attained NAAC accreditation status with 'A' Grade.

LBRCE has sophisticated infrastructure with dedicated, well qualified and experienced faculty. A separate R&D cell is established in the college to focus on continuous sponsored research. It has various sponsored research projects by various funding agencies. All laboratories are equipped with state-of-the art facilities backed by advanced computer systems with latest software. The library is equipped with adequate volumes of books, journals with digital library facility.

#### About the Department

The Departments of ECE was started in the year 1998. It offers undergraduate program accredited by NBA (Tier-I) and NAAC of UGC New Delhi. The Dept is recognized as a Research Centre by JNTUK Kaldinada. The Department has well qualified, dedicated faculty with good laboratory facilities including equipment required for research work. The faculties are actively engaged in research activities in their areas of specialization.

In R&D, we got DST projects and AICTE projects worth of Rs.1 Crore 12 Lakhs. AICTE has sanctioned Rs.10 Lakhs for the modernization of DSP/ECAD/EC Simulation Lab under MODROBS scheme in the year 2010. Signal Processing Lab has MATLAB R16a version, ECAD Lab has advanced FPGA boards Spartan 3E, Spartan6, Virtex 5, Virtex II Pro, Mentor Graphics Backend tools software, Xilinx VIVADO software for Embedded system design and Communication lab has Licensed ANSYS HFSS18 Software worth 28Lakhs for 300 users.

#### About NIT, Warangal

National Institute of Technology (formerly Regional Engineering College), Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government.

Over the years the college has established itself as a premier Institution imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech. & Ph.D programs in various specializations.

#### About the Program

The goal the FDP on new signal processing Algorithms for a rapid dissemination of knowledge and experience to engineers and scientists working in the research, development and practical applications of signal processing. The classical theory of signal processing is based on models which are stationary, linear in many cases also assume that signals have Gaussian amplitude distributions. In recent years there has been a rapid growth in the applications of signal processing in many modern areas of engineering, communications and computing. The course will cover: Basic theory of linear and non-linear signal processing, different design techniques and apply various fast algorithms for filtering, adaptive systems and its properties.

#### Major Course Contents:

- Introduction to Digital Signal processing with hands on.
- Adaptive filter Design, System Identification and Channel Equalization using conventional algorithms.
- Genetic Algorithm and Particle swarm Optimization for adaptive filter design.
- Neural Networks and deep neural networks for Image processing applications.
- Speech analysis, recognition, analysis and synthesis.
- Radar Signal Processing.
- Biomedical Signal Processing.
- Differential Evolution and Radar Imaging.
- Adaptive beam forming techniques.

#### Eligibility

The program is open to the teachers of engineering colleges from Electronics and communication Engineering, Electrical Engineering, and other allied disciplines in Telangana, Andhra Pradesh, Karnataka States and Pondicherry, Andaman & Nicobar islands and Lakshadweep UTs. Industry personnel working in the concerned/allied discipline can also attend.

**Pre-Requisites:** Basics knowledge of digital signal processing.

#### Registration Fee Particulars:

Faculty and Research Scholars from Telangana, Andhra Pradesh, Karnataka, Pondicherry, Andaman and Nicobar Islands, Goa	Rs. 2500/-
Faculty of SC/ST Category from Telangana, Andhra Pradesh, Karnataka, Pondicherry.	Rs. 1250/-
Andaman and Nicobar Islands, Goa (concession along with application form) Industry Participants	Rs. 9000/-
Participants from other states	Rs. 8500/-

#### How to apply:

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with demand draft) should reach the coordinator by speed-post. It is also mandatory to send scanned application form and demand draft through e-mail to [mdce@lbrce@gmail.com](mailto:mdce@lbrce@gmail.com) as selection will be intimated only through mail.

#### How to reach LBRCE:

Mylavaram is situated at a distance of 40 Km. from Vijayawada. Participants can reach Mylavaram by boarding buses (at Vijayawada) run by APSRTC towards Tiruvur, Kothagudem & Bhadrachalam and city bus services (Bus number 350).

#### Accommodation:

Lodging and boarding will be provided at LBRCE campus at no additional cost. No TA/DA will be paid to the participants. Working Lunch, Tea & Snacks will be provided during FDP by host institute.

#### Venue:

Rose Hall, Admin Block, LBRCE, Mylavaram.

#### Address for Correspondence:

Mr. T Anil Raju, Assoc. Prof., 9989900350  
Mr. M K Linga Murthy, Sr. Asst Prof., 9885396770

Title of Program Organized

Three Day Faculty Development Program “Advanced Digital System Design with FPGAs”

Brochure for the Program:

The brochure is divided into three vertical columns. The left column (orange background) lists resource persons and registration details. The middle column (green background) lists the organizing committee and contact information. The right column (blue background) provides details about the FDP, including dates, logos, and the names of the chief patrons, patrons, and the convener.

**RESOURCE PERSONS**

**Mr. Nagendra Bandi**  
Application Engineer  
CoreEL Technologies (Pvt) Ltd, Bangalore.

**Dr. Y. Amar Babu,**  
Professor  
Dept. of ECE,  
LBRCE, Mylavaram-521230.

**REGISTRATION PARTICULARS**

Outside Faculty : Rs. 100/-  
Faculty/Scholars & P.G students : Rs. 100/-

**Note:**  
Registration fee in cash can be paid on the day of Registration.

- Working lunch will be provided.
- The deadline for submission of registration form is 29-03-2018.
- Registration form should be signed/forwarded by the Principal/Director of the college.
- Participants will be given priority on first come first serve basis.

APSCHE- British Council Pilot on English Communication Skills

Brochure for the Program:

The brochure features a teal background with a yellow sidebar on the left containing course objectives. The main content is in a light blue box at the top and a yellow box in the middle. The bottom right has a pink box with the contact information.

**LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING**  
(AUTONOMOUS)  
LB REDDY NAGAR, MYLAVARAM, KRISHNA DIST, ANDHRA PRADESH, INDIA  
Accredited by NAAC & NBA (Under Tier-1) and an ISO 9001:2005 certified institution  
AICTE approved and Affiliated to JNTUK

**Course Objectives**

- Adopt activity based teaching-learning methods to ensure that learners would be engaged in use of language both in the classroom and laboratory sessions.
- Facilitate effective listening skills for better comprehension of academic lectures and English spoken by native speakers
- Focus on appropriate reading strategies for comprehension of various academic texts and authentic materials
- Help improve speaking skills through participation in activities such as role plays, discussions and structured talks/oral presentations
- Impart effective strategies for good writing and demonstrate the same in summarizing, writing well organized essays, record and report useful information
- Provide knowledge of grammatical structures and vocabulary and encourage their appropriate use in speech and writing

## 6.3.3 Average number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff during the year

### Theme of ICCIDE

The ICCIDE is conceived as a forum for presenting and exchanging ideas and results of high quality research work in cutting edge technologies and most happening areas of computational intelligence and data engineering.

It brings together the researchers from academia and industry onto a common platform and help them develop a comprehensive understanding of the challenges of technological advancements from different viewpoints. This forum also helps in fostering a healthy and vibrant relationship between academia and industry.

For more details: <http://www.iccide.in/>

### Call for Papers

#### Computational Intelligence

- Collective Intelligence
- Information Retrieval and Integration
- Evolutionary computing
- Machine Learning
- Ant Colony Optimization
- Bayesian Network
- Computational Paradigms and Computational Complexity
- Rough Sets
- Semantic Web
- Cybernetics for Informatics
- Intelligent Transportation Systems
- Knowledge Representation
- Distributed Intelligence
- Fuzzy Systems
- Geographic Information Science (GIS)
- Automated Reasoning
- Cognitive Modeling of Agent Systems
- Agent Theory and Application
- Computational Biology
- Intelligent Control
- Intelligent e-learning/tutoring
- Computer Vision
- Logic in Intelligence
- Soft computing
- Mobile Intelligence
- Computational Intelligence
- Computational Security
- Cooperative Systems and Control
- Grey Theory

- Intelligent Building
- Smart Living Technology

- Natural Language Processing
- Optimization Techniques
- Pattern Recognition
- Image Processing
- Probabilistic and Uncertain Reasoning
- Knowledge-Based Systems
- Intelligent Networks
- Deep Learning
- Ubiquitous computing and its applications

#### Data Engineering

- Data Models, Semantics, Query languages
- Meta Data, Data Integration, and Data Interoperability
- Ubiquitous Data Management and Mobile Databases
- Data Provenance, Workflows, Scientific Data Management
- Indexing, Query processing and query optimization
- Data Visualization and Interactive Data Exploration
- Distributed Databases, Peer to peer Databases and Parallel Databases, Scalable Analytics
- Graph Data, RDF and Web Data
- Data Privacy and Security
- Data Mining, Data Warehousing
- Transaction Processing
- Semi-structured data and XML databases
- Distributed, parallel, Peer to Peer databases
- Web Data Management and Deep Web
- Scientific and Biological Databases and Bioinformatics
- Workflow, Web Services
- Stream processing and sensor databases
- Data Grids
- Cloud Computing and Database-as-a-Service
- Uncertain, Probabilistic and Approximate Databases
- Temporal, Spatial and Multimedia Data
- Big Data Analytics
- Hadoop Eco Systems

All accepted and registered papers will be published in Lecture Notes on Data Engineering and Communications Technologies (LNDECT) Series of Springer. (<https://www.springer.com/series/15362>)

About LBRCE

Lakireddy Bali Reddy College of Engineering was founded through Lakireddy Bali Reddy charitable trust in 1998 by a philanthropic NRI Sri Lakireddy Bali Reddy, an Engineer by study and a reputable entrepreneur by vocation. Since its inception it aims at value-based technical excellence, ultimately focusing on the development of the area. It started off with the total intake of 180 students and with four branches of B.Tech, namely ECE, CSE, EEE and Mechanical Engineering. In about one and a half decade of its academic saga, the college grew big in size and strength crowning its glory with invaluable accomplishments of its faculty and students.

The College got autonomous status from UGC and currently offers 8 UG programs (CSE, IT, EEE, ECE, EIE, Mech, Aerospace and Civil) and 8 PG Courses (M.Tech (CSE), M.Tech (Software Engineering), M.Tech (Systems & Signal Processing), M.Tech (Thermal Engineering), M.Tech (Power Electronics & Drives) & M.Tech (VLSI & Embedded Systems), MCA, MBA). Several well qualified and experienced faculty have been inducted to maintain the required quality of Technical Education offered at LBRCE.

Lakireddy Bali Reddy College of Engineering is an ISO 9001:2015 certified institution, approved by AICTE, Accredited by National Assessment and Accreditation Council (NAAC) with 'A' grade and National Board of Accreditation (NBA). The excellent Ambience, the infrastructure and facilities at LBRCE are manifested by a green, spacious, spread over serene campus of 60 acres, a colossal 60,000 sq.ft administrative building with aesthetic Architecture, AC auditorium and conference hall, well equipped Laboratories, 230 Mbps internet facility, Library server with 4.5 TB of space with many self-learning lectures available for students, power back-up facilities of 375 KVA generators, and very good canteen facilities for students and staff.

### 6.3.3 Average number of professional development / administrative training programs organized by the Institution for teaching and non teaching staff during the year

Academic Year: 2017-18

Title of Program Organized

**Fundamentals of MS-Office**

Brochure for the Program:

**INTRODUCTION**

Teaching and non-teaching staff are the two essential workhorses of any academic institution. It is essential for the non-teaching staff to perform their duties responsibly to enable the teaching staff and the organization to work smoothly. They both have to work in synchronization with each other to make the organization grow. This workshop is an attempt to train the non-teaching staff with precise skills to perform their duties efficaciously.

The workshop is planned to impart both theoretical aspects and practical knowledge to the participants. Each day, the forenoon session deals with theoretical aspects and real time applications of the topics. The entire afternoon session is devoted to give hands on practice to the participants. At the end of the course, there will be a test to the participants and the participant who stands first will be given a prize and a merit certificate in addition to the participation certificate.

**Course Contents:**

**ELIGIBILITY**

The program is open non- teaching faculty members of all departments of LBRCE, Mylavaram.

**REGISTRATION PARTICULARS**

Application in the prescribed format duly sponsored by the Head of the Institution should reach the coordinator on or before 22-11-2017

**Registration fee Details: NO REGISTRATION FEE**

**ABOUT THE DEPARTMENT**

The Department of IT is established in the year 1999 and offers an undergraduate program in Information Technology. The Department has well qualified faculty and good laboratory facilities. All the laboratories are well equipped with state of the art experimental sets, both in quality and quantity, which brings the number of students per batch of two. The department regularly conducts Guest Lectures / Seminars / Workshops / Technical paper contests for the benefit of both faculty and student community.

**Highlights of the Department:**

- Highly qualified and experienced faculty is the greatest asset of the department.
- Well equipped Advanced Lab facilities for Research and Development.
- Good number of students placed in the reputed MNCs consistently.
- Innovative Product development activities by Students.
- NPTEL Certified Faculty and Students
- CISCO Certification by Students and Faculty.
- Hands on training sessions for students by Industry experts.
- Internship in the Industry
- Exposure to the latest technologies
- Professional society memberships for students and Faculty like IEEE, CSI, and ISTE.

#### ABOUT THE INSTITUTE

The LBR College of Engineering (LBRCE) is located at Mylavaram, 40km from Vijayawada on Bhadrachalam highway and is spread over 50 acres of sprawling lush green landscape spotted with orchids and grooves. One of the good achievements of the LBRCE is Autonomous status from the academic 2013-14. The place is a hub of leading power plants like VTPS, LANCO Kondapally and Industries like APHMEI, HPCL and Bharath Petroleum.

At LBRCE the focus is on a well balanced approach where most sophisticated infrastructure is supported by a dedicated team of well qualified and experienced faculty. The Management also actively involves in every aspect and career of the faculty and students. LBRCE offers B.Tech Courses in CSE, IT, ECE, EEE, EIE, MECH Engineering and P.G. programmes: M.B.A., M.C.A. & M.Tech Courses in ECE, CSE and Mech. All laboratories are equipped with state of the art facilities backed by advanced computer systems and the latest software. The library has over 30,442 books spanning 8589 titles. It subscribes over 100 International Journals, 74 National journals and 39 Technical and general magazines. A digital library is a part

of this facility with over 4000 VCD collections produced from IIT'S, EKALAVYA and SONET with 4.5TB of storage capacity server. The students have access to internet and also to DELNET to supplement their classrooms teaching.

#### ABOUT MYLAVARAM

It is situated at a distance of 45 Km. from Vijayawada. Mylavaram is well connected by rail and road to various places in the state. Participants are advised to alight either at Vijayawada or Kondapalli depending on their travel conveniences.

#### ABOUT THE COLLEGE

Lakireddy Bali Reddy College of Engineering was founded through Lakireddy Bali Reddy charitable trust in 1998 by a philanthropic NRI Sri Lakireddy Bali Reddy, a Chemical Engineer by qualification and a reputable entrepreneur by vocation. Since the inception Lakireddy Bali Reddy College of Engineering (LBRCE) aims at value-based technical excellence which ultimately leads to the development of the rural area where the college is situated. We offer 8 B. Tech Programmes in CSE, IT, ECE, EEE, ME, CE, ASE & EIE, 4 M. Tech Programmes in Computer Science and Engineering, Thermal Engineering, Power Electronics and Drives & Systems and Signal Processing, in addition to M.B.A and M.C.A Programmes.

LBRCE has a spacious campus spread over 60 acres of serene and natural surroundings with plenty of greenery. It facilitates AC Auditorium, AC Conference- room, well equipped laboratories, free internet with 270 Mbps leased line, a world class Library server with 4.5 TB back up area.

#### ABOUT NIT, WARANGAL

National Institute of Technology, Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institute imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech. and Ph.D programs in various specializations. All B. Tech and M. Tech programmes of NIT Warangal are NBA accredited.

#### ABOUT THE PROGRAM

"Electronics & ICT Academy" was set up at NIT Warangal with financial assistance from Meity, Govt. of India (GoI). The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa, Puducherry and Andaman & Nicobar Islands. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies, training & consultancy services for Industry, Curriculum development for Industry, CEP for working professionals, Advice and support for technical incubation and entrepreneurial activities.

As part of this initiative, our college is considered as HOST INSTITUTE to organize a Faculty Development Programme (FDP) on "Machine Learning & Soft Computing" during 22nd – 27th January, 2018. This faculty development programme (FDP) is devoted to addressing the need to enhance the knowledge about the latest technologies pertaining to Machine Learning & Soft Computing and is open for Faculty members of engineering, MCA and other allied degree colleges from states mentioned above.

#### ACCOMMODATION

No TA/DA will be paid to the participants. Accommodation will be provided on prior request. Working Lunch, Tea & Snacks will be provided during FDP by host institute.

#### HOW TO APPLY

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with DD/NEFT Receipt) should reach the coordinator at the host institute by speed post. It is also Mandatory to send a scanned application form and DD/NEFT receipt through email to [hodit@lbrce.ac.in](mailto:hodit@lbrce.ac.in) as selection will be intimated only through mail.

#### MAJOR COURSE CONTENTS

- ✓ Regression Techniques
- ✓ Instance based Learning
- ✓ Decision Tree Algorithm
- ✓ Neural Network Learning
- ✓ Support Vector Machines
- ✓ Reinforcement Learning
- ✓ Clustering
- ✓ Bayesian Learning
- ✓ Deep Learning
- ✓ Recommender Systems
- ✓ Principal Component Analysis (PCA)
- ✓ Independent Component Analysis (ICA)
- ✓ Applying Machine Learning Algorithms on Large data Sets

#### ELIGIBILITY

The programme is open to the teachers of engineering colleges, MCA colleges and other allied disciplines in Telangana, Andhra Pradesh, Karnataka, Goa, Puducherry and Andaman & Nicobar islands. Industry personnel working in the concerned/allied discipline can also attend.

#### REGISTRATION FEES

From the above mentioned states:

- Faculty members and Research Scholars: Rs. 2500/-
- Faculty belong to SC/ST category : Rs. 1250/-
- Industry Participants : Rs. 7500/- only
- Faculty/Research Scholars from the states other than mentioned above: Rs. 8500/- only
