## NEWS LETTER

### VISION:

To emerge as one of the most preferred department for the budding engineers, aspiring to be successful IT professionals.

### MISSION:

- To inculcate team skills and leadership qualities in the student through projects, seminars and group activities.
- To impart quality education with a well designed curriculum, consistent with industry requirements, that equips the student to face the career challenges.
- To cultivate the qualities of social awareness and service to the humanity among the students.
- To extend the student's learning beyond the curriculum, through workshops on cutting edge technologies.

### PROGRAM EDUCATIONAL OBJECTIVES:

Graduates of Information Technology programme will be:

**PEO 1:** Pursue a successful career in the area of Information Technology or its allied fields.

**PEO 2:** Exhibit sound knowledge in the fundamentals of Information Technology and apply practical experience with programming techniques to solve real world problems.

**PEO 3:** Able to demonstrate self-learning, life-long learning and work in teams on multidisciplinary projects.

**PEO 4:** Able to understand the professional code of ethics and demonstrate ethical behaviour, effective communication, team work and leadership skills in their job.
